About This Game

Snowballed: Crazy Downhill is a fascinating New Year's jumper where a little snowball travels through the mountains and collects everything on its way: various twigs and leaves. Jump over obstacles: stones, beams, trees, don't let the snowball crumble. When the snowball becomes bigger, there will be even more difficult hindrances. Stay in the game as long as possible, set a record!

Game features:

- Interesting winter arcade with a small snowball in the main role;
- System of records and achievements;
- Multi-level jumper with increasing complexity;
- Mountain landscapes and charming winter music.
